Give your child a chance to experience a week of summer vacation as it was meant to be—immersed in the great outdoors! With over 40 years of teaching experience between them, join veteran TPS teachers Chris Bultman and Sara Irvine for a week of outdoor fun and memories at Yard Dog Farms. “Camp Unplugged” is packed full of structured and unstructured outdoor activities that include: **horse care and tending, hiking, fishing, water play, field games such as Capture the Flag and Instincts, farm projects, theatre improv games, outdoor art projects, music & singing, read-alouds, and other campers’ choices.** Best of all, it happens “unplugged”—without any technology. Camp also includes a special Thursday dinner cookout/campfire/sing-along for campers and their families! We are happy to help facilitate carpool arrangements with other campers. Space is limited to 20 campers. For more information or to enroll, email us at [ydfunplugged@gmail.com](mailto:ydfunplugged@gmail.com) today!

*“The future will belong to the nature-smart: those individuals, families, businesses, and political leaders who develop a deeper understanding of the transformative power of the natural world and who balance the virtual with the real. The more high-tech we become, the more nature we need.”*
